

ASSESSMENT GENERATOR TUTORIAL

MY ACCOUNT

MANAGE YOUR ACCOUNT

This is where you manage your own account information.

Name Your Account – this can be any name that is logical for you

Login: You created a login name when you set up your account – you can now change it if necessary.

Password: If you type anything in this space, this will be your new password – so remember what you typed – it will not display after you have changed it.

Receive email in: Choose HTML or Text/Plain – what do you prefer?

Website: You can add the URL of your web site here – it is not used anywhere on the site or in your assessment. You must add it to each assessment when you create our assessment.

His Submit and our Account has been updated.
